The NFTMO Executive made two Awards this year in the Lifetime Achievement category to recognise the work undertaken by Andy Slater of Dovecotes TMO (left) and Liz Michael (right).

Unfortunately Liz couldn't be with us this year but everyone was delighted to see Andy after a period of ill health. Both individuals have made an enormous contribution to the tenant management movement over many years.

Wenlock Barn TMO (left) and Abbey Road Community Housing (right) both collected the NFTMO Kitemark Award for Good Governance

Please remember to check out the website for all of the other news that has happened!
